

VENDOR PARTNER PROGRAM

Gain a Trusted Partner Dedicated to your Success

VENDOR PARTNER PROGRAM

Sign up for our Exclusive Vendor Partner Program.

As a vendor partner of Dimension Funding, you will get sales and marketing assistance that will aid you in closing deals, creating messaging that works with different prospects, joint marketing efforts and other program opportunities.

We work with you to put together promotions, literature and digital marketing efforts to help you close more deals.

Right now with the uncertain economic times, companies are trying to save working capital while still investing in the technologies that will allow them to be ready when the economy rebounds.

Dimension Funding can help with that by offering financing options that makes sense for your prospects and customers.

According to the Equipment Leasing and Finance Association, "Among manufacturers who offer financing for their equipment, a recent study shows approximately 30% of all equipment sales are financed by the manufacturer or its finance partner."

Offer Monthly Payments

One financing option we offer is to turn an annual software subscription payment into a monthly payment so your customers can save their working capital. For equipment vendors, turn a large upfront payment into monthly payments up to a 60 month term.

As a member of our vendor partner program, we can help you market to your prospects with financing options that can make the difference between whether a company invests in technology or equipment now and builds for the future or waits until the economy has rebounded and is months behind their competitors.

TAILORED MARKETING PROGRAMS

Co-branded Landing Pages

We create tailored landing pages on the Dimension Funding website that offer financing promotions to your prospects based on their unique needs. You get a personalized link to distribute to your prospects offering financing and co-branded with your logo, information and value proposition. We work with you to offer promotions that will engage your prospects and turn them into sales.

Work with our marketing department or your account manager to put together landing pages that will promote your products and offer financing options that makes sense for your customers.

Advertising Flyers / Datasheets

We design co-branded flyers or datasheets in PDF format for your use in turning prospects into sales. We offer special promotions to your prospects designed to meet the needs of your particular prospects.

We create professionally designed flyers and datasheets for your use to give to prospects and customers that offer financing promotions, special offers and the benefits of financing that eliminates a large cash outlay and saves working capital.

Email Marketing

Dimension Funding will help you with email marketing and messaging that will get a better response from your prospects. We may be able to expand your reach with email marketing ideas and concepts that will engage prospects.

Speak with your account manager about email marketing options available to you.

Exclusive Offers

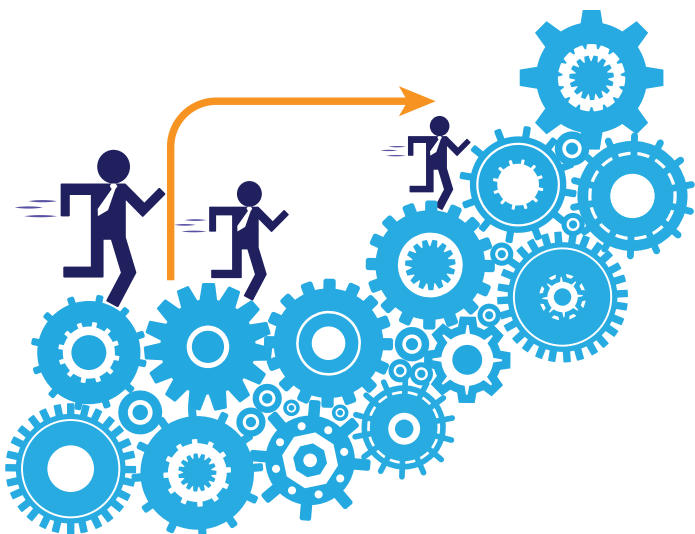

Be the first to be able to offer discounts and special financing offers to your prospects and customers.

By offering financing promotions designed for your customers, you can turn more prospects into customers and close more deals.

Custom Promotions Just for your Prospects

If you have an idea for a custom financing program tailored to your prospects, we will work with you to put it together. There are limitations on what is available but within those limitations, we can create personalized promotions for your prospects and customers that will generate more sales.

Customized promotions can also help to close many deals instead of the prospect going dark.

Design your Own Marketing Program

If you have marketing ideas not shown here, we will work with you to make it happen.

Our goal is to make you as successful as possible.

White Papers / Literature

Work with Dimension Funding to create White Papers, Blog Posts or other Literature that can be used to generate more prospects. We will promote these on social media, in our quarterly newsletter and in our email marketing reaching many thousands of prospects.

Social Media

As a preferred vendor in our vendor partner program, we will work with you to create co-branded LinkedIn posts and other social media posts to get you in front of an expanded audience and engage your current LinkedIn audience with messaging that will generate more interest and leads.

TOOLS TO HELP YOU GENERATE SALES

Financing Widget

Put our Financing Widget on your website that allows your customers and website visitors to learn about their financing options and to easily apply for financing from your website.

Instead of having your prospects going to other sites in order to explore financing options, they stay on your website with all of the information they need in order to move forward with purchasing your service.

It generally takes just 15 minutes to add the Financing Widget to your website - offering financing to your clients and prospects.

Payment Calculator Widget

Easily install our payment calculator widget on your website. It gives your prospects and website visitors the opportunity to get estimated payments for financing.

It also allows them to request a personalized payments quote based on their unique situation.

Apple Mobile Payment Calculator

Send prospects to our mobile app to get estimated monthly financing payments. It's a quick and easy way to get financing information from their iPhone.

Dimension Funding iPhone App

Below the status bar, the title 'Calculator' is displayed. The app contains two calculator sections. The first section is titled 'Monthly Payment Calculator' and features a 'Calculate' button. The second section is titled 'Tax Savings Calculator' and features a 'Calculate' button. Both sections have input fields for 'Equipment Cost' and 'Enter amount'. The 'Tax Savings Calculator' also has an input field for 'Enter tax rate'. The bottom of the screen shows a navigation bar with icons for a calculator, a person, a document, a star, and a menu.
